Andrew Hoberek writes "Considering Watchmen: Poetics, Property, Politics" primarily in response to Sara J. Van Ness's "'Watchmen' as Literature: a Critical Study of the Graphic Novel", which he argues did not sufficiently address the nature of literature and took for granted that the forms of comics should be grouped among primarily prose ...

Hoberek, Andrew. Considering Watchmen: Poetics, Property, Politics. New Brunswick, NJ: Rutgers UP, 2014. Alan Moore and Dave Gibbons's Watchmen, in all likelihood the most famous American superhero comic of the past three decades, has been considered extensively already. But, while Time magazine's inclusion of Watchmen on its list of the 100 best English language novels and Zack Snyder's ...

Review of Considering Watchmen: Poetics, Property, Politics

One consequence of the relatively late emergence of comics studies as an academic field is that we have a very long to-do list. There are innumerable works, creators, and topics that have yet to be the subject of any sustained scholarly attention, simply because comics and graphic novels (even in a narrow definition) were being produced for the better part of a century before there were ...
