Demon Lore is a good start of series telling Gin's journey into becoming a Demon Huntress. My main negative is the lack of answers and character backgrounds. The pacing was decent and there is plenty of action and romance. The narrator was wonderful in bringing the story and characters to life with easy to understand and distinct voices.

But that's not to say demons are only referenced in fiction. The most sinister of demons aren't on TV or in movies, but in obscure stories from Christianity and other religious lore. Here are some demons that we'd really like to see in the next season of American Horror Story. 1. Asag is a demon from Sumerian mythology who causes sickness.
