Cultural materialism is an anthropological research orientation first introduced by Marvin Harris in his 1968 book *The Rise of Anthropological Theory*, as a theoretical paradigm and research strategy. It is said to be the most enduring achievement of that work. Harris subsequently developed a full elaboration and defense of the paradigm in his 1979 book *Cultural Materialism*.

Homosexuality in China has been documented in China since ancient times. According to one study, homosexuality was regarded as a normal facet of life in China, prior to the Western impact of 1840 onwards. However, this has been disputed. Several early Chinese emperors are speculated to have had homosexual relationships accompanied by heterosexual ones. ...

In police reform circles, many scholars and policymakers diagnose the frayed relationship between police forces and the communities they serve as a problem of illegitimacy, or the idea that people lack confidence in the police and thus are unlikely to comply or cooperate with them. The core proposal emanating from this illegitimacy diagnosis is procedural justice, a concept that emphasizes ...

In the beginning, and for several decades afterward, slavery was not primarily a governmental institution, neither in Europe, nor the United States.. Initially, the enslavement of Africans was almost all done privately. There were, to be sure, a handful of governmental charters, but in the early days, the preponderating number of slaves were traded by private entrepreneurs who excha
