Power Tips & Strategies for Mind Mapping Software

Mind Mapping - A New Era has Begun. Not long ago, everyone was talking about the importance of taking notes. Not anymore. Because mind maps are much more visual than notes, and are better at emphasizing associations between words, this new concept has taken over, leading to a premature death of traditional notes.

Podcast - The Brainy Business

The precise origins of the positioning concept are unclear. Cano (2003), Schwartzkopf (2008) and others have argued that the concepts of market segmentation and positioning were central to the tacit knowledge that informed brand advertising from the 1920s, but did not become codified in marketing textbooks and journal articles until the 1950s and 60s.
