Neverland is a fictional island featured in the works of J. M. Barrie and those based on them. It is an imaginary faraway place, where Peter Pan, Tinker Bell, the Lost Boys and other mythical creatures and beings live. Although not all people who come to Neverland cease to age, its best known resident famously refused to grow up.

The canon of Shakespeare's plays is not a clear, cut-and-dried list. Shortly after the writer's death what is known as the First Folio was printed. We know, now, that he wrote several plays that were not included in that volume - plays that are often referred to as Shakespeare's 'lost plays'.. Some scholars believe that in addition to the thirty-seven or thirty-eight plays that are ...
