Raga Notations
We do, however, use notation to teach and learn music, and as an aid to memory. When you learn a new raga, you notate a few basic melodic phrases, patterns and simple compositions in that raga so that you can recall them later.

Notating Indian Classical Music - Raag Hindustani

Ragas are melodic combinations of swaras which capture the mood and emotions of the performance. We first deal with the segmentation of the audio signal by using two different methods for onset detection viz. use of spectral flux and by fundamental frequency estimation.

Harmonium Raga Recognition - IJMLC
Raga can be defined as a combination of few musical notes and is the most fundamental concept in Carnatic music. All compositions and artiste's improvisations that we hear in concert platforms are all raga based. It is always a thrill for a true carnatic rasika to be able to identify and appreciate the ragas being rendered in any concert.

Ragas : Raga Surabhi - Raga Identification made Easy!
A raga or raaga (IAST: rāga; also raag or ragam ; literally "coloring, tingeing, dyeing") is a melodic framework for improvisation akin to a melodic mode in Indian classical music. While the raga is a remarkable and central feature of the classical music tradition, it has no direct translation to concepts in the classical European music tradition.

Raga Scales. All ragas must include the root note sa. All ragas must include either one or both of the notes ma (the fourth) and pa (the fifth). A raga may use both the natural and flat/sharp versions of any of the variable tones (re, ga, ma, dha, ni), but not in succession (this rule has a few exceptions).
