Piano pedagogy is the study of the teaching of piano playing. Whereas the professional field of music education pertains to the teaching of music in school classrooms or group settings, piano pedagogy focuses on the teaching of musical skills to individual piano students. This is often done via private or semiprivate instructions, commonly referred to as piano lessons.

The News releases. After more than twenty years of recording for the major labels, I decided to create my own. The venture was launched in January 2001, at the dawn of the 21st century; hence my choice of PIANO 21 as an appropriate title. This is the vehicle for my own recordings, some of them of live performances.
